**SCHOOL CHOICE REFERENCE GUIDE
2023-2024**

Letter from the Superintendent

Dear Families,

Whether your child attends a dedicated magnet school or their neighborhood school, we remain committed to providing an outstanding educational experience for your child, ensuring that they are equipped for success in college, career, and life.

Our enrollment guide is the perfect entryway to exploring the large menu of educational options available to you. As you take the steps to choose the school that best fits your child, please make note of the considerations below:

- **Great Schools in Your Neighborhood:** We encourage you to take a close look at your neighborhood school, also called an attendance-area school. We are committed to providing excellent schools in every neighborhood. To find your attendance-area school, go to www.duvalschools.org/finder.
- **Magnet or Special Transfer Option Schools:** If you are interested in attending a school other than your attendance-area school, we have that too - from magnet schools and special transfer option schools to exceptional education schools.
- **School Visits:** Before making a final decision about a school, visit schools. Contact the school or check out the school website for more information about dates and times of in-person or virtual visits.
- **Enroll:** Once you have selected the school of your choice, you can find the steps to enrollment in this book or by visiting www.duvalschools.org/enroll.

If you need support along the way, our School Choice team is here to help you navigate the process. Reach out to them at school_choice@duvalschools.org, or set up an appointment to speak with a specialist at www.duvalschools.org/enroll.

We want to do everything possible to ensure your child is in a school where they can thrive. Thank you for being a part of Team Duval!

A handwritten signature in black ink, which appears to read "Diana L. Greene". The signature is fluid and cursive, written over a light blue diamond-shaped background.

Diana L. Greene, Ph.D.

GUIDE TO NEIGHBORHOOD, MAGNET, AND SPECIAL TRANSFER OPTION SCHOOLS

Quick Start Guide

Below are the main steps to starting your journey in the Duval County Public Schools enrollment process.

STEP ONE CHOOSE A SCHOOL/PROGRAM.

The first step is to identify schools that appeal to the student. The state of Florida and Duval County Public Schools provide families with the opportunity to make educational choices. DCPS provides parents/guardians with three choices:

- **Zoned Attendance Area Schools:** Each student is automatically assigned a zoned attendance area school, based on their residential address. To find this school, go to www.duvalschools.org/finder.
- **Magnet Schools/Programs:** Students must apply to these schools. They offer a specific focus. The charts on pages 8 -9 provides an overview of available magnet programs and themes from elementary to middle to high school.
- **Special Transfer Option Schools:** Students must apply to these schools. If accepted, parents/guardians are responsible for all transportation.

STEP TWO LEARN THE DETAILS.

If a student wishes to attend a school other than the zoned attendance area school, it is important to understand the lottery process, priorities for admission, transportation, and events. Pages 70-73 explain these steps and details.

STEP THREE REGISTER AND APPLY.

- If a student is new to DCPS and has never received services, parents need to establish a student ID and parent/guardian account. Follow the instructions at www.duvalschools.org/parentaccount. These steps must be completed prior to applying for school/program of choice. Please note that this process may take up to three business days.
- In some cases, students have existing student ID numbers. If unsure, parents/guardians can email school_choice@duvalschools.org with the child's last name, date of birth and a copy of a valid driver's license for next steps.
- An application must be submitted online through Focus in your parent/guardian account.
- In order for a student to have magnet status at his/her zoned attendance area school, the parent/guardian will need to submit an online application.
- Parents/guardians who want their student to attend the zoned attendance area school (neighborhood school) can complete the registration process at the school. (www.duvalschools.org)

The magnet and special transfer schools application deadline for the 2023 - 24 school year is Tuesday, February 28, 2023. Please note that this is a multi-step process and may take up to three business days to complete.

STEP FOUR COMPLETE YOUR JOURNEY.

Parents/Guardians will receive email notification concerning the outcome of the magnet and special transfer option lottery no later than mid-April. Notification will be sent to the email address associated with the parent/guardian account.

Have questions? Visit our website at www.duvalschools.org/schoolchoice, contact us at **(904)390-2082**, or school_choice@duvalschools.org.

STEP ONE: CHOOSE A SCHOOL/PROGRAM.

WHAT ARE MY CHOICES?

- **Zoned Attendance Area Schools** are determined by residential addresses. Each student is automatically assigned to a zoned attendance area school for elementary, middle and high. To locate the zoned attendance area schools, go to www.duvalschools.org/finder.
- **Magnet Schools** offer a unique curriculum designed to provide students with an opportunity to explore an area of interest. There are three types of magnets. **Dedicated Magnet Schools** are schools without a specific zoned attendance area. All students apply to attend and are placed through a lottery. **Whole School Magnet Schools** are schools within a zoned attendance area. In elementary schools most students receive theme-based instruction (Dual-Language is the exception.) Zoned attendance area students only receive magnet status if they apply and are accepted to the magnet program. A **School-Within-A-School Magnet** is a school within a zoned attendance area where only a specific group of students participate in the magnet program.

Magnet programs were started during the 1991 – 1992 school year as a voluntary desegregation plan. Today, Duval County’s magnet programs promote diversity and offer wonderful and enriching learning opportunities. Participating in the magnet program does not mean giving up traditional education. It enhances the education experience. Every student receives instruction in the subject areas that are required for promotion and/or graduation.

In general, students may apply to any magnet program. Middle and high school students may apply to any magnet program if they meet eligibility requirements as outlined in the Magnet Theme Stream on pages 8-9. The chart illustrates schools and program progression by theme.

Program continuity means following the same magnet program from one level to the next. For example, a student enrolled in a technology magnet program during elementary school may want to continue to learn about technology in middle and high school. Program continuity allows the student to do just that. Students seeking program continuity must reapply as they move from elementary to middle school and from middle to high school. Students seeking program continuity receive a priority for admission, but it does not guarantee acceptance.

Elementary magnet students sometimes want to switch themes. Students who want to change themes as they enter middle school will receive the tiered continuity priority in the lottery. This priority rewards participation in an elementary magnet program.

- **Special Transfer Option Schools** are neighborhood schools that are not located in the student’s attendance zone. Just like attendance zone schools, these school offer instruction in subjects that are required for promotion and graduation.

Please note that district transportation is not provided to special transfer option schools. Transportation is the responsibility of the parent/guardian. Annually, magnet bus routes are reviewed. Magnet bus routes with five (5) or less magnet students may be discontinued the following school year. Your child may apply to a magnet program for the 2023 - 2024 school year with the understanding that transportation may be the responsibility of the parent/guardian. Transportation for middle and high school students is provided under specific guidelines. Refer to page 49 for the middle school guidelines and page 60 for the high school guidelines.

STEM / STEAM

VISUAL & PERFORMING ARTS

ELEMENTARY

Start here

- J. Allen Axson*¹
- John E. Ford K-8*

* Students not accepted after KG without prior Montessori experience. Experience must be a full year from the preceding school year.

¹ Students receive program continuity to John E. Ford for 6th grade. Students must apply.

- Dinsmore
- Mayport ES
- San Pablo
- Venetia

- Andrew Robinson
- John Stockton
- Lone Star
- Loretto
- Pinedale
- Rufus E. Payne
- Rutledge Pearson
- Sally B. Mathis

- Fishweir
- Pine Forest
- Rutledge Pearson

MIDDLE

Must apply to continue here

- John E. Ford K-8*

* Axson students apply to Grade 6. Current Ford students will continue to Grade 6.

* Students not accepted after KG without prior Montessori experience. Experience must be a full year from the preceding school year.

- Darnell-Cookman M/H¹
- Mayport MS*²
- Springfield³

¹ Darnell-Cookman students also have program continuity to Paxon, Stanton, and Wolfson when applying to 9th grade.

² Continuity to Darnell-Cookman

³ Continuity to Darnell-Cookman, Jackson, Paxon, Raines, Randolph, Riverside, Stanton, Wolfson based on enrolled program of study.

* Mayport MS is served by a limited transportation zone.

- Springfield**¹
- YM/YWLA at Butler*²

* Applicants must complete "Opt In" form.

** Level 4 or 5 on 4th grade state assessment required for admission to Acceleration Program.

¹ Continuity to Darnell-Cookman, Jackson, Paxon, Raines, Randolph, Riverside, Stanton, and Wolfson based on enrolled program of study.

² Continuity to Darnell-Cookman, Jackson, Paxon, Peterson, Randolph, Ribault, Raines, Stanton, Wolfson, Riverside and Ed White.

- Fort Caroline
- LaVilla SoTA

Rising 6th graders may audition for advanced placement in arts area. Rising 7th and 8th graders are only admitted via audition with a high performance.

ALL applicants MUST submit an online magnet application, including those students who audition.

HIGH

Must apply to continue here

- Darnell-Cookman*
- Paxon*
- Samuel W. Wolfson*
- Stanton*

* Successful completion of Algebra 1 by the end of Grade 8 is required

- Andrew Jackson
- Asa P. Randolph
- Darnell-Cookman*^{1,2}
- Paxon*^{1,2}
- Riverside*
- Samuel W. Wolfson*^{1,2}
- Stanton*^{1,2}
- William M. Raines

* Successful completion of Algebra 1 by the end of Grade 8 is required.

¹ Only for students coming from Darnell-Cookman

² Students coming from Springfield must have been enrolled in the Accelerated or Gifted Program.

- Asa P. Randolph
- Andrew Jackson
- Darnell-Cookman**¹
- Edward H. White*²
- Frank H. Peterson²
- Jean Ribault²
- Paxon**¹
- Riverside**
- Samuel W. Wolfson**¹
- Stanton**¹
- William M. Raines

* Applicant must complete "Opt In" form.

** Successful completion of Algebra 1 by the end of Grade 8 is required.

¹ Students coming from Springfield Middle School must have been enrolled in the Accelerated or Gifted Program.

² Only for students coming from YMLA/YWLA at Butler.

- Douglas Anderson*
- William M. Raines

* ALL applicants MUST audition for acceptance to high school program. Magnet application is not required for Douglas Anderson.

STEP TWO: LEARN THE DETAILS.

Before applying to a school, review this section for important information.

GIFTED ELIGIBILITY

Students currently enrolled in Duval County Public Schools who want to apply to a magnet school as a gifted student must be identified in Focus with an active gifted status or meet all criteria for gifted eligibility prior to **March 21, 2023**. All other students are considered academically talented. Gifted eligibility may be reviewed by the Exceptional Education and Student Services Department for students newly enrolling in the district (See FL Statute 6A-6.0334).

IMPORTANT DATES TO REMEMBER

ONLINE APPLICATIONS ARE AVAILABLE

Sunday, January 1 - Tuesday, February 28, 2023

Applications are available by logging into the parent/guardian account, in Focus in the Forms section. Applying may be a multi-step process. It often takes up to three business days for accounts to be activated and linked. Please plan accordingly.

SCHOOL SHOWCASE SATURDAY

Saturday, January 7, 2023, 9 a.m. - 2 p.m.

School Showcase Saturday is a new opportunity for parents/guardians to engage with school representatives through a school visit. A schedule of tours will be available at www.duvalschools.org.

PARENT INFORMATION (VIRTUAL) SESSIONS

Join School Choice Staff for an overview of the enrollment and lottery process with a Q&A sessions to follow. All sessions are scheduled for 6 - 7 p.m.

Thursday, January 19, 2023

Thursday, February 2, 2023 (Spanish)

Thursday, February 16, 2023

Thursday, February 23, 2023

www.duvalschools.org/schoolchoice

ONLINE APPLICATION DEADLINE

Tuesday, February 28, 2023

Applications must be submitted before midnight on **Tuesday, February 28th**. Applying is a multi-step process. It often takes up to 3 business days for accounts to be activated and linked. Please plan accordingly. Online access will close at 11:59 p. m. on **Tuesday, February 28th**.

FIRST DAY OF SCHOOL

Monday, August 14, 2023

Training for Future Careers? We have that.

Learn how Duval County Public Schools is training our future workforce in Career and Technical Education programs at www.duvalschools.org/cte.

EVERY STUDENT. EVERY DAY.

DUVAL COUNTY
PUBLIC SCHOOLS

Priorities For Admission

PRIORITIES FOR MAGNET SCHOOLS

At most magnet and special transfer option schools there are not enough seats to accommodate every student applying. For this reason, each selection made on the application is assigned a certain "priority" ranking, which is considered in the lottery. Those priorities for both magnet and special transfer options schools are described in this section.

ENTERING GRADES K, 1, 2, 3, 4 & 5

All magnet applications for elementary schools are processed through the lottery. Seats are allocated according to choice and priority. This means that all first choices are considered first, according to the priorities, followed by all second choices until seats are filled.

Priority 1 - Neighborhood Preference for students who live in the current attendance area of a non-dedicated magnet school.

Priority 2 - Former Attendance Area Preference for students who live in the former attendance area of a dedicated magnet.

Priority 3 - Military Dependent Transition Preference for a transitioning student who has a parent on active duty. (Students meet eligibility requirements when applicable, follow application procedures, reside in Duval County and in the household of the military-affiliated parent, and submit active-duty orders and emergency data record.) Please refer to School Board Policy 5.23 for complete details.

Priority 4 - Sibling Preference for a student who has a sibling residing at the same address who attends a magnet program at the same school and is eligible to return the next school year. Siblings applying for the first time are not eligible to receive sibling preference. Siblings are defined as brother, sister, stepbrother, stepsister, half brother or half sister living at the same address.

Priority 5 - Socio-Economic Preference for elementary students whose neighborhood school is a Title I School and who apply to attend a magnet program in a non-Title I School or whose neighborhood school is a non-Title I School and who apply to attend a magnet program in a Title I School.

Priority 6 - Principal's Signature Preference for students whose parent/guardian attends a tour or open house at the magnet school they are applying for and have the principal's signature indicating attendance. Schools will enter tour/open house attendance electronically at the end of the application period.

Priority 7 - No Principal's Signature Preference for students who submit an application but have no signature indicating attendance at a tour or open house.

Priority 8 - Not Eligible for the Program (e.g., Montessori 1st grade and higher without an immediate full prior year of Montessori experience; Dual Language 2nd grade and higher without passing grade on language proficiency test; applying for a Gifted program and the student has not been staffed Gifted, etc.).

ENTERING GRADE 6

Current 5th-grade magnet students must reapply!

All magnet applications for middle school are processed through the lottery, including those who have program continuity. Seats are allocated according to choice and priority. This means that all first choices are considered first, according to the priorities, followed by all second choices until seats are filled.

Priority 1 - Neighborhood Preference for students who live in the current attendance area of a non-dedicated magnet school.

Priority 2 - Former Attendance Area Preference for students who live in the former attendance area of a dedicated magnet.

Priority 3 - Military Dependent Transition Preference for a transitioning student who has a parent on active duty. (Students meet eligibility requirements when applicable, follow application procedures, reside in Duval County and in the household of the military-affiliated parent, and submit active-duty orders and emergency data record.) Please refer to School Board Policy 5.23 for complete details.

Priority 4 - Program Continuity with Sibling Preference for magnet students who are in a program that continues at the next school level and who also have a sibling attending the school who is eligible to return the next school year. Siblings are defined as brother, sister, stepbrother, stepsister, half brother or half sister living at the same address.

Priority 5 - Program Continuity Preference for magnet students who are attending a program that continues at the next school level.

Priority 6 - Sibling Preference for a student who has a sibling residing at the same address who attends a magnet program at the same school and is eligible to return next year. Siblings applying for the first time are not eligible to receive sibling preference. Siblings are defined as brother, sister, stepbrother, stepsister, half brother or half sister living at the same address.

Priority 7 - Tiered Continuity Preference for magnet students who want to switch themes when entering middle school.

Priority 8 - Principal's Signature Preference for students whose parent/guardian attends a tour or open house at the magnet school they are applying for and have the principal's signature indicating attendance. Schools will enter tour/open house attendance electronically at the end of the application period.

Priority 9 - No Principal's Signature Preference for students who submit an application but have no signature indicating attendance at a tour or open house.

ENTERING GRADE 6 AT LAVILLA OR FORT CAROLINE MS

Current 5th-grade magnet students must reapply!

All magnet applications for LaVilla and Fort Caroline are processed through the lottery. These schools also offer audition for a priority. Please check the school's website for more information about auditions. Seats are allocated according to choice and priority. This means that all first choices are considered first, according to the priorities specified below, which are different from other magnet schools, followed by all second choices until seats are filled.

Priority 2 - Former Attendance Area Preference for students who live in the former attendance area of Fort Caroline MS. This preference is only used if applying to Fort Caroline MS.

Priority 3 - Military Dependent Transition Preference for a transitioning student who has a parent on active duty. (Students meet eligibility requirements when applicable, follow application procedures, reside in Duval County and in the household of the military-affiliated parent, and submit active-duty orders and emergency data record.) Please refer to School Board Policy 5.23 for complete details.

Priority 4 - Program Continuity Preference for magnet students who are in a program that continues at the next school level. This would include students who are magnetized at Fishweir ES, Martin Luther King Jr. ES and Pine Forest ES.

Priority 5 - Neighborhood Student Audition Preference for non-magnet neighborhood students who are attending an elementary arts magnet school (Fishweir ES & Martin Luther King, Jr. ES) and wish to continue to LaVilla or Fort Caroline MS. Students **MUST** pass the audition to receive this preference.

Priority 6 - Sibling Preference for a student who has a sibling residing at the same address who attends a magnet program at the same school and is eligible to return to the next school year. Siblings applying for the first time are not eligible to receive sibling preference. Siblings are defined as brother, sister, stepbrother, stepsister, half brother or half sister living at the same address.

-OR-

Priority 6 - High Audition Preference for students seeking advanced placement in 6th grade at LaVilla or Fort Caroline MS. Students who audition must still submit an online application.

Priority 7 - Low Audition Preference for students seeking advanced placement in 6th grade at LaVilla or Fort Caroline. Students who audition must still submit an online application.

Priority 8 - Principal's Signature Preference for students whose parent/guardian attends a tour or open house at the magnet school they are applying for and have the principal's signature indicating attendance. Schools will enter tour/open house attendance electronically at the end of the application period.

Priority 9 - No Principal's Signature Preference for students who submit an application but have no signature indicating attendance at a tour or open house.

ENTERING GRADES 7 AND 8

All magnet applications for middle school are processed through the lottery. Seats are allocated according to choice and priority. This means that all first choices are considered first, according to the priorities, followed by all second choices until seats are filled.

Priority 1 - Neighborhood Preference for students who live in the current attendance area of a non-dedicated magnet school.

Priority 2 - Former Attendance Area Preference for students who live in the former attendance area of a dedicated magnet.

Priority 3 - Military Dependent Transition Preference for a transitioning student who has a parent on active duty. (Students meet eligibility requirements when applicable, follow application procedures, reside in Duval County and in the household of the military-affiliated parent, and submit active-duty orders and emergency data record.) Please refer to School Board Policy 5.23 for complete details.

Priority 4 & 5 - Not applicable in grades 7 and 8

Priority 6 - Sibling Preference for a student who has a sibling residing at the same address who attends a magnet program at the same school and is eligible to return next school year. Siblings are defined as brother, sister, stepbrother, stepsister, half brother or half sister living at the same address.

Priority 7 - Principal's Signature Preference for students whose parent/guardian attends a tour or open house at the magnet school they are applying for and have the principal's signature indicating attendance. Schools will enter tour/open house attendance at the end of the application period.

Priority 8 - No Principal's Signature Preference for students who submit an application but have no signature indicating attendance at a tour or open house.

Priority 9 - Not Eligible for the Program

ENTERING GRADES 7 AND 8 AT LAVILLA OR FORT CAROLINE MS

Admission to 7th or 8th grade is limited to passing the audition with a high preference.

All magnet applications for LaVilla and Fort Caroline are processed through the lottery, including those who successfully audition. Seats are allocated according to choice and priority. This means that **all first choices are considered first, according to the priorities specified below, followed by all second choices until seats are filled.**

Priority 6 - High Audition Preference for students seeking advanced placement in 7th or 8th grade at LaVilla or Fort Caroline MS. Students who audition must still submit an online application.

Priority 7 - Low Audition Preference for students seeking advanced placement in 7th or 8th grade at LaVilla or Fort Caroline MS. Students who audition must still submit an online application.

ENTERING GRADE 9

Current 8th-grade magnet students must reapply!

All magnet applications for high school are processed through the lottery, including those who have program continuity. Seats are allocated according to choice and priority. This means that all first choices are considered first, according to the priorities, followed by all second choices until seats are filled.

Priority 1 - Neighborhood Preference for students who live in the current attendance area of a non-dedicated magnet school.

Priority 2 - Former Attendance Area Preference for students who live in the former attendance area of a dedicated magnet.

Priority 3 - Military Dependent Transition Preference for a transitioning student who has a parent on active duty. (Students meet eligibility requirements when applicable, follow application procedures, reside in Duval County and in the household of the military-affiliated parent, and submit active-duty orders and emergency data record.) Please refer to School Board Policy 5.23 for complete details.

Priority 4 - Program Continuity with Sibling Preference for magnet students who are in a program that continues at the next school level and who also have a sibling attending the school who is eligible to return the next school year. Siblings are defined as brother, sister, stepbrother, stepsister, half brother or half sister living at the same address.

Priority 5 - Program Continuity Preference for magnet students who are in a program that continues at the next school level. Students eligible for program continuity to Paxon or Stanton must make these two schools their first and second choice in order to be assured continuity to one of the two schools. If you choose to make only one choice, continuity cannot be assured. Students who are eligible for program continuity to Paxon or Stanton but who want to select the 9th-grade program at Darnell-Cookman or Samuel Wolfson should make Darnell-Cookman or Samuel Wolfson their first choice with the understanding that assured continuity to Paxon or Stanton is forfeited.

Priority 6 - Sibling Preference for a student who has a sibling residing at the same address who attends a magnet program at the same school and is eligible to return next school year. Siblings applying for the first time are not eligible to receive sibling preference. Siblings are defined as brother, sister, stepbrother, stepsister, half brother or half sister living at the same address.

Priority 7 - Principal's Signature Preference for students whose parent/guardian attends a tour or open house at the magnet school they are applying for and have the principal's signature indicating attendance. Schools will enter tour/open house attendance electronically at the end of the application period.

Priority 8 - No Principal's Signature Preference for students who submit an application but have no signature indicating attendance at a tour or open house.

Priority 9 - Not Eligible for the Program (example: applying for a Gifted program and the student has not been staffed Gifted).

ENTERING GRADES 10, 11 AND 12

All magnet applications for high school are processed through the lottery. Seats are allocated according to choice and priority. This means that all first choices are considered first, according to the priorities, followed by all second choices until the seats are filled.

Priority 1 - Neighborhood Preference for students who live in the current attendance area of a non-dedicated magnet school.

Priority 2 - Former Attendance Area Preference for students who live in the former attendance area of a dedicated magnet.

Priority 3 - Military Dependent Transition Preference for a transitioning student who has a parent on active duty. (Students meet eligibility requirements when applicable, follow application procedures, reside in Duval County and in the household of the military-affiliated parent, and submit active-duty orders and emergency data record.) Please refer to School Board Policy 5.23 for complete details.

Priority 4 & 5 - Not applicable in grades 10, 11 and 12

Priority 6 - Sibling Preference for a student who has a sibling residing at the same address who attends a magnet program at the same school and is eligible to return next school year. Siblings applying for the first time are not eligible to receive sibling preference. Siblings are defined as brother, sister, stepbrother, stepsister, half brother, half sister living at the same address.

Priority 7 - Principal's Signature Preference for students whose parent/guardian attends a tour or open house at the magnet school they are applying for and have the principal's signature indicating attendance. Schools will enter tour/open house attendance electronically at the end of the application period.

Priority 8 - No Principal's Signature Preference for students who submit an application but have no signature indicating attendance at a tour or open house.

Priority 9 - Not Eligible for the Program (example: does not have appropriate coursework or transcript).

PRIORITIES FOR SPECIAL TRANSFER OPTION SCHOOLS

ENTERING GRADES K-12

Current 5th- and 8th-grade special transfer option students must reapply!

All Special Transfer Option applications are processed through the lottery. Seats are allocated according to availability and priority. Applications are processed based on priority until all open seats are filled.

Priority 1 - Does not apply to Special Transfer Option applications.

Priority 2 - Employee's Child Preference for students whose parent is employed in an eligible position at a Duval County Public school where the student is eligible to attend or attend the next closes appropriate DCPS school. Closest appropriate DCPS school **does not include** dedicated magnet schools.

Priority 3 - Military Dependent Transition Preference for a transitioning student who has a parent on active duty. (Students meet eligibility requirements when applicable, follow application procedures, reside in Duval County and in the household of the military-affiliated parent, and submit active-duty orders and emergency data record.) Please refer to School Board Policy 5.23 for complete details.

Priority 4 - Sibling Preference for a student who has a sibling residing at the same address who attends the same school and is eligible to return next school year. Siblings applying for the first time are not eligible to receive sibling preference. Siblings are defined as brother, sister, stepbrother, stepsister, half brother or half sister living at the same address.

Priority 5 - General Priority for students whose parent submits an application without any of the above priorities.

ACADEMIC PERFORMANCE STANDARDS

DEDICATED MAGNET Middle & High Schools

- Darnell-Cookman
- Fort Caroline
- James Weldon Johnson
- Joseph Stilwell

MIDDLE SCHOOL

Acceptance into most middle school magnet programs is not based on academic performance or other competitive criteria. However, eight magnet middle schools do have academic performance standards that must be met for students to remain the following school year.

- Julia Landon
- LaVilla
- Springfield
- Young Men's and Young Women's Leadership Academy

These standards are:

Grades 6 to 7: Pass all courses

Grades 7 to 8: Maintain an overall unweighted 2.0 grade point average and pass all courses.

In addition, students at Fort Caroline and LaVilla must earn a "C" or higher in each arts area.

HIGH SCHOOL

Acceptance into most high school magnet programs is not based on academic performance or other competitive criteria, except for Darnell-Cookman, Paxon School for Advanced Studies, Riverside (Engineering), Samuel Wolfson, and Stanton. However, eight magnet high schools do have academic performance standards that must be met for students to remain the following school year.

- Andrew Jackson
- Asa Philip Randolph
- Darnell-Cookman
- Douglas Anderson School of the Arts
- Frank H. Peterson
- Paxon School for Advanced Studies
- Samuel Wolfson
- Stanton

These standards are:

Grades 9 to 10: Maintain an overall 2.0 grade point average, and pass all courses

Grades 10 to 11: Maintain an overall unweighted 2.0 grade point average, and pass all courses

Grades 11 to 12: Maintain an overall unweighted 2.0 grade point average, and pass all courses

ADMISSION PROCEDURES

DEDICATED MAGNET Art Middle & High Schools

Fort Caroline Middle School and LaVilla School of the Arts: Students may receive a priority for admission if they audition. Contact the schools for audition dates. All students who audition MUST also submit an online magnet application by the **February 28th** deadline to be considered for admission. All applicants for Fort Caroline MS and LaVilla MS, including successful auditions, are processed through the lottery.

Douglas Anderson School of the Arts: Consideration for admission is obtained only through an audition. The Office of School Choice does not manage the application process for this school. Contact the school for audition information. Students who successfully audition and accept placement forfeit all other magnet or choice assignments.

ADMISSION PROCEDURES

HIGH SCHOOL ACCELERATION

A few magnet, choice, and special transfer option programs have admission procedures that differ from the normal process. Eighth-grade students meeting minimum eligibility requirements may apply for AICE, AP Capstone, Early College, and IB. The applicant's parent/guardian may complete an application through Focus in the parent/guardian account **December 5, 2022 - January 19, 2023**.

Information on eligibility requirements may be found at www.duvalschools.org/acceleration.

The primary entry point for High School Acceleration Programs is 9th grade. Admission at 10th grade will be limited to school and program capacity. Applicants will be reviewed based on the student's transcript, schedule, and the course progression for the program they are applying.

Schools Offering Acceleration Programs

- **Advanced International Certificate of Education (AICE):** Fletcher, Mandarin, and Raines
- **Advanced Placement (AP) Capstone:** Atlantic Coast and Baldwin
- **International Baccalaureate (IB) Diploma Programme:** Terry Parker, Paxon, Stanton, and Wolfson
- **Early College: Associate of Arts:** Baldwin, Edward H. White, First Coast (Education Academy), Jean Ribault, Riverside, Sandalwood, Terry Parker, Westside (Education Academy), and Raines
- **Early College: Associate of Science:** Andrew Jackson (Information Technology) and Englewood (Advanced Manufacturing)

Deadline to apply is **January 19, 2023** For more information, go to www.duvalschools.org/acceleration.

ONLINE APPLICATION AND LOTTERY

VPK APPLICATION 2023-2024

Duval County Public Schools VPK program takes applications for new students using a lottery system. To be eligible for consideration an online application must be completed between **January 1 - February 28** for the next school year. Parents can select up to three VPK programs, in order of preference, that the student is eligible to attend. Students must be 4 years old on or before **September 1st**.

A child is eligible to attend:

- **Title I-** A student whose home school is Title I can only attend a Title I VPK program.
- **Non-Title I-** A student whose home school is Non-Title I can only attend a Non-Title I VPK program.

Please note school bus transportation is not provided. For more information about VPK enrollment, contact **(904) 630-6790**, dcpsec@duvalschools.org, or visit www.duvalschools.org/earlychildhood

The Parent/Guardian will need to create a student ID, set up a Parent/Guardian Account and link the two to access the VPK application. For more information and instructions go to www.duvalschools.org/parentaccount. During the creation of your Parent/Guardian Account, you will be given the opportunity to connect your child to your account. If you have more than one child, then you can add all of them during this process. You will receive directions in an email on how to complete the connection of your child(ren) to your account. This next step will require the parent/guardian to have a valid driver's license or valid state-issued identification to complete the request.

Once you have registered for a Parent/Guardian Account and linked your children to the account, you will have access to the VPK. To access the application:

- Log into your account
- Click on Links
- Click on Focus
- Select Your Child's Name
- Click on the VPK Application

Please do not use the new student process for a student who already has a DCPS student ID. Remember, students in the following scenarios will already have a DCPS student ID:

- Students who have been enrolled in a DCPS school during any prior school year, even if they are not currently attending a DCPS school
- Students who have received special services via DCPS at some previous time (including Child Find, Teen Parent Services, Speech, Hearing, Language, Vision or other special services.)

If you do not know your student's ID, email school_choice@duvalschools.org. Include the child's name, date of birth and a copy of the parent/guardian's valid driver's license for next steps.

Early Learning Department Location

John Love Early Learning Center
1531 Winthrop Street
Jacksonville, FL 32206
(904) 630-6790

To see a list of elementary schools that offer VPK programs, go to www.duvalschools.org/earlychildhood.

ONLINE APPLICATION AND LOTTERY

KINDERGARTEN

1. Register your child

Students in the following scenarios are already registered with DCPS and have a student ID number.

- Students who have been enrolled in a DCPS school during any prior school year, even if they are not currently attending a DCPS school
- Students who have previously applied to or been enrolled in a DCPS VPK program
- Students who have previously enrolled in preparation for the lottery
- Students who have received special services at some previous time (including charter school, home school, Family Empowerment Scholarship, Child Find, Teen Parent Services, Speech, Language, Hearing, Vision or other special services)

If you do not know your student's ID, email school_choice@duvalschools.org. Include the child's name, date of birth and a copy of the parent/guardian's valid driver's license for next steps.

2. To get a Student ID and a Parent Account go to www.duvalschools.org/parentaccount

3. Link Accounts. This approval process may take up to three business days and can be completed at www.duvalschools.org/parentaccount. If you do not know your student's ID, email school_choice@duvalschools.org. Include your child's first and last name, date of birth and a copy of your driver's license or government ID. We will provide you with your student's ID in 24 to 48 hours.

Once the link to your student is approved, you will have access to the magnet and special transfer option applications. **The application deadline is Tuesday, February 28th.**

For families who have a student currently in a DCPS VPK Program, this assignment is for **one year only**. To enroll in kindergarten and have opportunity to remain at your current school, please complete the appropriate application. (This does not apply to students enrolled in PreK3 or PreK4 at J. Allen Axson or John E. Ford)

LIST OF SCHOOLS

This section lists all DCPS schools in three categories: elementary, middle, and high schools. Each school listing includes address and phone numbers, website address, programs, and transportation information.

Things to consider when selecting a school:

- What is the program offered at the school?
- Is transportation offered for your school?
- What is the bus or car commute time to the school?

Reminders

- Transportation is provided to the zoned attendance area school if the student lives more than 1½ miles from the school. Find the zoned attendance area school by using www.duvalschools.org/finder.
- Transportation is provided to any elementary student living within the same zone that their magnet school is located. In addition, some elementary magnet schools provide transportation to students living outside their zones.
- Transportation to special transfer option schools is the responsibility of the parent/guardian.

ELEMENTARY TRANSPORTATION

Elementary schools are divided into **seven transportation zones**. Transportation is provided to any elementary student living in the same zone that their magnet school is located. In addition, some elementary magnet schools provide transportation to students living outside their zones. You will see these schools listed with the elementary zone maps. The distance to a bus stop can be up to 1 mile from the residence, or up to 1½ miles if the neighborhood school is used as a bus stop. Some elementary magnet students will transfer at a hub site (another school) and ride another bus to their magnet school. The afternoon services may be the reverse.

Zone 1: Mandarin/Southside

Also served by:

- Richard L. Brown*
- Andrew Robinson*

- Bartram Springs
- Beauclerc***
- Crown Point*
- Englewood*
- Greenfield*

 Anchor Academy
 Atlantic Beach
 Chets Creek
J. Allen Axson
Jacksonville Beach
 Mayport

Neptune Beach
San Pablo
 Seabreeze

Magnet schools are listed in bold type. Schools marked with an asterisk (*) are * Title I school.

Consider the length of the commute when applying to a school. While students will have the advantage of attending a specialized school, a long commute could be a disadvantage.

Bus stops and times are subject to change for the 2023-2024 school year. All families must register for a bus in their parent account. To be eligible for transportation, students must apply to a magnet school by the **February 28, 2023**, application deadline.

Once accepted, families should follow the directions in their acceptance letter to register for a bus stop through Focus in your parent/guardian account. Registration will open after **June 9, 2023**. Stops will be added according to state and district guidelines. Parents/guardians will be able to log into their Focus account two weeks before school opens to find their bus stop information.

For more information regarding transportation, contact the Transportation Department at **(904) 858-6200** or go to www.duvalschools.org/dcpstransportation.

MIDDLE SCHOOL TRANSPORTATION

When selecting a middle school consider the distance traveled and other factors important to the student and family. Students will have the advantage of attending a specialized program of their choice, making friends from all over the city, and having experiences outside the residential community.

Middle schools are not divided into transportation zones. Districtwide transportation is provided with a combination of neighborhood routes, shuttles, and Express Routes.* There are some differences in the transportation system that apply to specific schools.

In the morning, transportation is currently provided to students attending **Darnell-Cookman, Springfield, Landon, LaVilla, James W. Johnson, Joseph Stilwell, and Young Men's and Young Women's Leadership Academy** on neighborhood buses to an area high school followed by shuttle service to the magnet school. Express Route* service is provided in the afternoon.

* **Express Routes** have limited bus stops and are located at or near a Duval County public school or other public location selected by the Transportation Department. The District distance-to-stop policy does not apply to Express Routes. Parents or guardians are responsible for transporting and supervising their children at the bus stop.

Fort Caroline and Highlands middle schools follow the magnet transportation model both morning and afternoon using Express Routes.*

John E. Ford K-8 middle school students are transported according to the elementary zones for this school.

Baldwin Middle/High currently has limited transportation. A shuttle bus is provided to and from Baldwin Middle/High from Riverside High only. Parents are responsible for getting their students to and from Riverside High.

Alfred I. duPont Middle currently has limited transportation from the Mandarin, Twin Lakes, Southside, and Matthew Gilbert middle school attendance areas only.

Southside Middle has limited transportation from the Matthew Gilbert attendance area only.

Jean Ribault Middle has limited transportation from Arlington, Fletcher, Kernan, Landmark, and Twin Lakes middle schools attendance areas only.

Mayport Middle utilizes the Coastal Transportation Plan to provide limited service via shuttle buses from Fletcher, Sandalwood, and Terry Parker high schools. Parents are responsible for getting their students to and from Fletcher, Sandalwood, and Terry Parker.

Bus stops are subject to change for the 2023-2024 school year. To be eligible for transportation, students must apply to a magnet school by the **February 28, 2023**, application deadline.

Once accepted, families should follow the directions in their acceptance letter to register for a bus stop through Focus in your parent/guardian account. Registration will open after **June 9, 2023**. Stops will be added according to state and district guidelines. Parents/guardians will be able to log into their Focus account two weeks before school opens to find their bus stop information.

Magnet routes will be reviewed for ridership annually. Magnet trips with five (5) or less magnet students may be discontinued the following school year. Students enroll at the magnet program for the 2023-2024 school year with the understanding that transportation may be the responsibility of the parent/guardian.

For more information regarding transportation, contact the Transportation Department at **(904) 858-6200** or go to www.duvalschools.org/dcpstransportation.

FSCJ is Here *for you*

Florida State College at Jacksonville is proud to be your community's college!

With programs ranging from short-term training opportunities to bachelor's degrees, there's something for everyone. We offer high-quality, hands-on learning to support your goals. Our dedicated faculty and staff are here to help you every step of the way and are invested in your success. Whether you are looking to start a career, taking the first step toward a degree, or looking to expand upon the skills you already have, FSCJ is here for you!

Randolph HS, Andrew Jackson HS, Frank H. Peterson HS, Jean Ribault HS and William M. Raines HS.

NOTE: Opt-in form required. Contact school for uniform requirements.

HIGH SCHOOL MAGNET TRANSPORTATION

One thing to keep in mind is that traveling a long distance to school is a balance of pluses and minuses. Students will have the advantages of attending a specialized program of their choice and making friends from all over the city. Of course, the length of the commute should be considered as well.

High schools are not divided into zones. Districtwide transportation is provided with a combination of neighborhood routes, shuttles, and Express Routes.* There are some differences in the transportation system that apply to specific schools.

In the morning, transportation is currently provided to students attending Douglas Anderson, Darnell-Cookman, Andrew Jackson, Paxon, Frank H. Peterson, A. Philip Randolph, Stanton, and Samuel Wolfson on neighborhood buses to an area high school followed by shuttle service to the magnet school. Express Route* service is provided in the afternoon.

** Express Routes have limited bus stops and are located at or near a Duval County Public School or other public location selected by the Transportation Department. The district distance-to-stop policy does not apply to Express Routes. Parents or guardians are responsible for transporting their children at the bus stop.*

Riverside, Jean Ribault, William Raines and Edward H. White high schools follow the magnet transportation model both morning and afternoon using Express Routes.*

Baldwin Middle/High currently has limited transportation. A shuttle bus is provided to and from Baldwin Middle/High from Riverside High only. Parents are responsible for getting their students to and from Riverside High.

Bus stops are subject to change for the 2023-2024 school year. To be eligible for transportation, students must apply to a magnet school by the **February 28, 2023**, application deadline.

Once accepted, families should follow the directions in their acceptance letter to register for a bus stop through Focus in your Parent/Guardian Account. Registration will open after **June 9, 2023**. Stops will be added according to state and district guidelines. Parents/Guardians will be able to log into their Focus account two weeks before school opens to find their bus stop information.

Annually magnet routes will be reviewed for ridership. Magnet trips with five (5) or less magnet students may be discontinued the following school year. Your child may enroll at the magnet program for the 2023-2024 school year with the understanding that transportation may be the responsibility of the parent/guardian.

For more information regarding transportation, contact the Transportation Department at **(904) 858-6200** or go to www.duvalschools.org/dcpstransportation.

EXCEPTIONAL EDUCATION AND STUDENT SERVICES

Students who are eligible to receive Exceptional Student Education (ESE) services have equal opportunities to apply for participation in magnet or special transfer option programs. The individual student's IEP team determines the specific educational needs of the student and how/where those needs can most appropriately be met. Based on the educational needs of each student, recommendations for support services may or may not be consistent with placement in a particular magnet or special transfer option program. Learn more at www.duvalschools.org/eess.

☎ (904) 864-6463

A school that integrates high school academic curriculum through Duval Virtual Instruction Academy with the development of supportive life skills for students in recovery due to alcohol and/or substance abuse.

ESOL (ENGLISH FOR SPEAKERS OF OTHER LANGUAGES)

ESOL (English for Speakers of Other Languages) is a program designed specifically to improve the language proficiency of students whose native language is not English. In addition to receiving academic instruction in reading, writing, speaking, and listening, the ESOL program strives to develop an appreciation of diverse cultures and languages.

The Center for Language and Culture (CLC) is a service center for refugee, immigrant and newly arrived families who speak a language other than English. The CLC offers homework assistance to students, evening language classes for parents, informational community sessions in various languages, and orientation to American schools for newly arrived families. We are trying to make a positive difference through our actions and services so that families new to Jacksonville have a smooth transition into the American culture and into the Duval County Public school system. Our goal is to make our community a better place for all of its members. Learn more at www.duvalschools.org/eess.

The CLC serves three main objectives:

1. Testing Center for Students
2. Orientation Services for Parents and Families
3. Resource Center and Multifunctional Classroom

STEP THREE - REGISTER

Parent/Guardian of student new to DCPS

- Go to www.duvalschools.org/parentaccount and follow the instructions.
- Register your child with DCPS to create a student ID.
- Create a Parent/Guardian Account.
- Link Parent/Guardian Account to student account.

Parent/Guardian of student currently enrolled in DCPS public or charter school

- Confirm that you have a Parent/Guardian Account that is linked to your student's ID.

OR

- Create a Parent/Guardian Account (if applicable).
- Link Parent/Guardian Account to student account (www.duvalschools.org/parentaccount). This process may take up to three business days.

Forgotten Student ID

- Email the school_choice@duvalschools.org to activate student account. In your email include a copy of your government issued ID, last name and date of birth of student.
- Confirm and/or create Parent/Guardian Account.
- Link Parent/Guardian Account to student ID (if applicable).

YOU WILL NEED TO APPLY IF:

- Your student is entering school/program for the first time.
- Your student is seeking magnet program continuity entering the 6th or 9th grade.
- Your student has a special transfer option assignment as a 5th or 8th grade students and you wish to make a choice that is not your zoned attendance area school for 6th or 9th grade.
- Your student is in VPK and would like to remain at your current school of enrollment or Kindergarten.
- Your student would like to be magnetized with your zoned attendance area school. All magnet and special transfer option school applications will be online and available through the Parent/Guardian account.

You need to apply during the on-time application window prior Tuesday, February 28, 2023, at 11:59 p.m.

You DO NOT need to apply if:

- Your child is on special assignment and would like to remain at the same school.
Students are on special assignment through the highest grade of the school you are attending.

Important Notice: If a parent/guardian applies for the 2023-2024 school year and the student is currently on special assignment, then the current assignment will automatically be cancelled for the next school year. If the student is waitlisted or not placed, then the student will be enrolled in the zoned attendance area school.

COMPLETING THE APPLICATION

Families have access to two applications in their Parent/Guardian Account, a magnet school/program and a special transfer option application.

Magnet Applications

The magnet application allows parents/guardians the opportunity to make two choices.

- Parents are strongly encouraged to apply to only those schools that the child is interested in attending.
- Program continuity applies to magnet students completing an application for the 6th or 9th grade.
- If a child is placed with their second-choice school, they **will not be waitlisted** with their first-choice program.
- If parent/guardian completes both a magnet and special transfer option application and the student is placed in a magnet program; then the special transfer option application is canceled.
- If parent/guardian completes both a magnet and special transfer option application and the student is placed in the special transfer school, the student will remain on the magnet waitlist.

Special Transfer Option Applications

The special transfer option application allows parents/guardians the opportunity to make one choice.

- If a parent/guardian completes both a magnet and a special transfer option application, the magnet lottery runs first. If a student is placed in a magnet program, the special transfer option application is canceled.
- Transportation is the responsibility of the parent/guardian.

Important Reminders

- It is the responsibility of the parent/guardian to complete the sibling information portion of the application and confirm that all siblings have the same residential address in their Focus accounts prior to **Tuesday, February 28**.
- If a family declines a placement as a result of the lottery, then they have the option of participating in Controlled Open Enrollment.
- Review the priorities on pages 12-18

Priority Reminders

Sibling Preference

Magnet and Special Transfer Option

- It is the responsibility of the parent/guardian to complete the sibling information portion of the application.
- Neither siblings nor multiples applying together for the first time receive this priority.
- Siblings are defined as (half/step) brother or (half/step) sister who reside at the same residential address in Focus.

Principal's Signature

Magnet

- Attend an in-person school tour or open house during the recruitment period.
- Schools electronically enter tour attendance information in Focus after the on-time application window closes.

Remember, you must apply by the deadline of Tuesday, February 28, 2023, for any priority to be honored. Placement is not guaranteed with any priority.

MILITARY DEPENDENT TRANSITION PLACEMENT – MAGNET AND SPECIAL TRANSFER OPTION

If you are a service member and have recently received active-duty orders to Jacksonville’s surrounding area, you do not have to wait to begin the registration and enrollment process with Duval County! We have a myriad of school enrollment options available, such as magnet schools, advance studies, advanced placement, dual enrollment, AICE, and IB. If you are a recently deployed active-duty family with dependent children who otherwise meet the eligibility criteria for some of our special academic programs, they will receive first preference for admission to such programs.

Our school district has a designated School Liaison to support the enrollment process for your school aged dependents.

To qualify for military priority placement, students must meet the following criteria:

- Be a dependent of active-duty service members, to include National Guard and Reserve component members on active duty within the state of Florida
- Transitioned to Jacksonville within the past 12 months

To exercise your military priority, families must:

- Complete the online Magnet or Special Transfer Application
- Complete the Military Transfer Option Application
- Submit all required documentation
- Meet the **Tuesday, February 28th** deadline to select up to two magnet choices and/or one special transfer option choice. Each choice will receive the military priority.

Military priority does NOT guarantee placement.

Students who use the military preference to apply for a magnet program or special transfer option school after the deadline can be assigned to the program if there is seat availability. If there is no seat availability, the military dependent is placed at the top of the existing waitlist for the school or program and placed if/when an opening becomes available. Once you have a copy of your active-duty orders to the Jacksonville area, you need to contact the Military Liaison (MilitaryTransferOption@duvalschools.org) in the Office of School Choice.

OUT-OF-COUNTY STUDENTS

Students not residing in Duval County during any application window will submit a paper application during the application period. Applications are date and time stamped. They will be processed once the on-time DCPS applications have been processed. Out-of-county applications will be available on the School Choice website, www.duvalschools.org/schoolchoice and must be submitted on or before **Tuesday, February 28, 2023**.

PRIVATE SCHOOL STUDENTS

Families who currently reside in Duval County should apply online after registering your child in Focus and creating a Parent/Guardian Account that is linked to the student’s account. Please refer to page 6 for additional information.

FREQUENTLY ASKED QUESTIONS

Please visit our website for updated answers to all of your questions.
www.duvalschools.org/schoolchoice

STEP FOUR

THE LOTTERY

Beginning **March 1**, applications will be processed and prepared for the lottery. The lottery is a computer program that randomly selects students based on the priority of each chosen school/program and projected grade level.

There is a predetermined number of "open" seats available for each school/program in each grade level. The computerized program selects students based on the order of choice and priority of the chosen school/program. This is why it is so important to carefully make your choices. Many popular programs fill with students who have made that program their first choice. Often, there are not seats remaining by the time the computer program begins the lottery for second choices. This applies even if you have program continuity (magnet) or sibling preference (magnet and special transfer option).

The lottery will process magnet choices first. If students are **placed** into one of their magnet choices, the lottery **will not** process the special transfer option choice, if one was made. Should students not be placed into any of their magnet choices, they will be placed on a magnet waitlist for those choices. The lottery will then process the special transfer option choice, if one was made. If accepted into their special transfer option choice, those students will remain on the magnet waitlist(s). Students not placed in their special transfer option choice will be placed on a special transfer option waitlist while keeping their place on any magnet waitlist. There are no guarantees. Admission is determined by a lottery that is based on the number of seats available and the number of applications received for a school or program.

NOTIFICATION

Parents/guardians will electronically receive notification of the lottery results in mid-April. **Please check your email with the subject line "Your School Choice Application Status."**

Your notification will include whether the student has been placed and, if so, into which school and program or whether the student has been placed on a waitlist.

Only parents/guardians who made a special transfer option choice AND whose child was not placed into one of their magnet choices will receive an additional electronic notification regarding their special transfer option choice. Parents/guardians who only made a special transfer option choice will electronically receive notification of the special transfer option lottery results.

Parents/guardians may cancel a magnet or special transfer option assignment by sending an email to school_choice@duvalschools.org or in person at the Office of School Choice. You will be asked to provide a reason for the cancellation.

THE WAITLIST

Students who are not placed as a result of the lottery are on a waitlist. If an opening becomes available, parents/guardians will be contacted through the 10th day of school. Waitlist and student assignment information can be found by logging into the Parent/Guardian Account. Students who are accepted into one of their choice magnet schools do NOT appear on the waitlist for any other school/program.

TRANSPORTATION

If the student is placed in a magnet program, the electronic notification will include information about transportation. We encourage parents/guardians to read the transportation guidelines carefully prior to completing an application.

CONFIRMING PLACEMENT

When the school year begins, students placed in either a magnet or special transfer option school must report to their school by the third day of class, **Wednesday, August 16, 2023**. If magnet and special transfer option students do not arrive by the end of the third day, their assignments will be cancelled.

School starts on August 14, 2023.

EXIT PROCEDURES

Once a student enrolls in a magnet or special transfer option school, the student should remain through the highest grade level of that school, unless the school has academic performance standards that are not met. Transfers to other magnet or special transfer option schools during the school year will be processed following the new Controlled Open Enrollment guidelines. The Choice Cancellation Form can only be processed by the School Choice Office. Parents will be notified within 10 days after the request is received. The form will be posted on the School Choice website.

CONTROLLED OPEN ENROLLMENT APPLICATIONS

We strongly encourage all interested families to apply between **January 1 - February 28, 2023**. After the February deadline, please visit our website (www.duvalschools.org/schoolchoice) for additional information about Controlled Open Enrollment.
